

## REMINDER

# Family Commitment and PALS Hours Notice

Billing for PALS and COMMITMENT Fee will be Billed via FACTS on January 7th (COMMITMENT Fee )  
January 10th (P.A.L.S. Hours)

Below is our school policy on Commitments and Service hours and billing as outlined in the parent resource guide and parent hand book. We have posted the first set of credits to your FACTS account. This includes credits for both PALS hours, as well as fundraising offset credits.

## Parents Assisting with Loyal Service

**P.A.L.S.** is a program to help keep the cost of tuition at an affordable rate. We require service hours per trimester for all families enrolled, or you may choose to pay **\$20.00** per hour. This year it will be only **15 hours** due to the pandemic. **You may opt for a buyout of \$300.00** in lieu of the hours. It is your responsibility to have these hours completed. Please do not wait for a call from the school. When volunteering we ask that participating parents leave small children at home with a sitter. Opportunities to fulfill PALS hours will become available throughout the year. Please read our weekly bulletin for new opportunities.

## Family Fundraising Commitment

Multiple fundraising opportunities will be made available during the school year to help fulfill this commitment. Below are some of the fundraisers that will be held, and the credits towards your commitment that will be applied. If you have earned sufficient credits from the fundraisers that we've held up to this point, your total due will be \$0.00. If you have not earned sufficient fundraising offset credits, the remaining amount will be due within 2 weeks.

### Each family has an Annual Commitment Fee of \$400 for the year

Fundraising Opportunities	Commitment Offset Credit (Proportion of funds raised that will be credited towards your account)	
8/23/21 to 1/28/22 <b>Cycle 1</b>	7.5 Hours	\$200 Funds Raised
